

## Caitlin Doggart (CCSC'89-'00) makes the Cape Cod Times

Figure 1: A recent Cape Cod Times article about independent bookstores featured our own Caitlin Doggart (CCSC'89-'00) and her bookstore The Sidewalk Ends in Chatham. Caitlin is quoted as saying "We sell the experience. People can buy books anywhere, but the attraction of independent booksellers is the energy....The whole experience of coming in is pleasurable." Well – we should all go and visit Caitlin's store in Chatham!! We will never forget the time she dropped off the latest hot-off-the-press Harry Potter book for our eager campers.

Figure 2: Maxwell Drummey (CCSC'94-'02) and D.A. Wallach walking around Harvard. Maxwell and D.A. founded the band Chester French. Their debut album, *Love the Future*, was released by Star Trak label. Maxwell has been in the news a bit lately all by himself.
