

AVAILABILITY UPDATE

2012 CAPE COD SEA CAMPS RESIDENT CAMP SPACE AVAILABILITY as of 2/5/2012

Currently, the Cape Cod Sea Camps, Monomoy/Wono have waiting lists in certain age groups for some sessions. To help you plan the best possible summer experience for your child/children we have listed below the space available in each age group. This will change daily as we receive new enrollments or cancellations.

If the age group you are interested in is full, you may wish to discuss the appropriateness of another placement with Sherry or David, or be placed on a waiting list. We generally experience about a 4% change rate among enrolled campers throughout the year, so spaces do become available.

To be placed on a waiting list we must receive a completed application and reservation deposit of either a check or MC/Visa number. We will not cash the check or charge your account until we have contacted you concerning an available space. In the meantime, we would be happy to assist you in finding another appropriate experience for the coming summer.
