Submitted applications during September are held on a waiting list to be processed on Oct 1.

### October 1<sup>st</sup>

On 10/1 any submitted 2019 Camper Applications are enrolled and Registration Deposits processed.

**During October, current families** will be accepted prior to a “new-to-CCSC” family.

“**New-to-CCSC**” applications may be submitted prior to November 1<sup>st</sup> and

be placed on a temporary waiting list. On November 1<sup>st</sup>, new campers are eligible to be accepted and based upon available spaces will be enrolled in the order the application is received.

Camper applications may also be mailed, but we recommend submitting all applications on-line to ensure a spot as quickly as possible.

### Waiting Lists

Waiting lists develop quickly in some age groups as soon as Oct. 1<sup>st</sup>. We recommend enrolling early and on-line to avoid disappointment.

### Send A Friend

New campers are referred to us through our current camp families. For those campers who introduce a new resident camper to CCSC, we

offer a credit towards a camp trip.  
Email [info@capecodseacamps.com](mailto:info@capecodseacamps.com)  
or use the Send A Friend postcards.  
**We appreciate your efforts on  
behalf of CCSC**

### **Leadership Training Program**

Eligible candidates for the Leadership Training Program are sent an invitation.

**Eligibility** – new candidates may be 14 or 15 entering 9<sup>th</sup> or 10<sup>th</sup> grade for LT 1 & 2's. Returning campers only for LT 3 & 4's.

**Length of Stay** – a seven (7) week commitment. No tuition refunds available for late enrollment or early withdrawal.

Spaces are **limited** for each LT year. Waiting lists develop quickly – as early as 10/1.

**Candidates must be recommended** by Head Counselors, Directors and are invited to join the Corps.

**Letters welcoming eligible candidates to apply are sent at the end of camp.** Receiving a letter does not guarantee enrollment. Parents and campers must understand the LT requirements and responsibilities for each year of the program.

On 10/1, if more applications are received than are spaces available in the JC unit, a **lottery system** will be utilized to accommodate the enrollment process.

### **Super Senior Options**

As an option for campers who are unable or do not want to attend camp for 7 weeks at age 14, there are limited spaces available in the Senior Units for a shorter half season stay. Contact the Directors for details

### **Tuition Insurance**

Consider tuition insurance for your camper's tuition at camp and refer to the TravMark Summer Camp Protection or go to our website and click on TravMark Summer Camp Protection for more detailed information. Complete details of the plan and enrollment forms are available online at [www.travmark.com](http://www.travmark.com)
